

h

A diagram of a frustum of a cone. The top circular face has a radius of 2, indicated by a horizontal arrow from the center to the edge. The bottom circular face has a radius of 4, indicated by a horizontal arrow from the center to the edge. The height of the frustum is labeled h , shown as a vertical double-headed arrow on the left side. The bottom edge of the frustum is represented by a dashed line to indicate it is hidden from view.
